"The sound of their four horns working together is massive, and they're as mobile and pliable as ... well, a very mobile, very pliable thing."

Rob Adams, The Herald

"Irresistible swaggering exuberance laced with grace and wit"

Chris Parker, The Vortex

"Brass Jaw's idiosyncratic approach to jazz lacks for nothing in the way of drive, rhythm or sheer muscle....the album resonates with creative energy.

4 Stars"

Kenny Mathieson, The Scotsman

"They played a full-on set that was absolutely right for the atmosphere in The Yardbird and brilliantly won over the audience.

One of my gigs of 2009"

Tony Dudley-Evans, Birmingham Jazz

"Quite simply stunning."

Samara Ginsberg , BBC Radio 3
